

Longtown Medical Practice

01228 791328

Are you interested in the services provided at the

Yes

Would you like to be able to influence what happens there?

Yes, but how could I do that?

There's a group set up for patients and the Practice to work together to meet each others needs

I didn't know that. Sounds interesting

It's called the **Patient Participation Group** and it needs people like you to join. If you're interested ring or see one of the receptionists and they'll get someone to chat with you about it. Tel. 01228791328
